

A story about Openyoudao

September 17, 2012

I am a freshman

History 2012-04-16 A boring Day!!!

I am linuxer, Reading paper just so boring, I can't bear it any more!!!

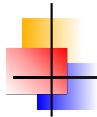

Why reading paper on linux just so difficult?

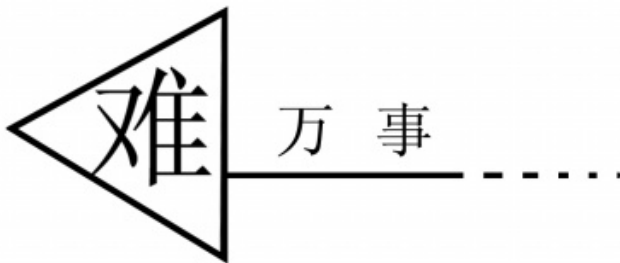

Fuck! Writing a dictionary by myself

What should I do? if I want to complete this program?

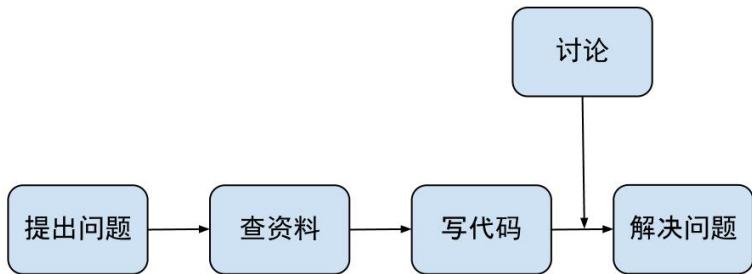

The question ask to myself

- ▶ What should i do first?
- ▶ How to take the word that i want?
- ▶ How to translate it?
- ▶ How to show it?

The fun of programming

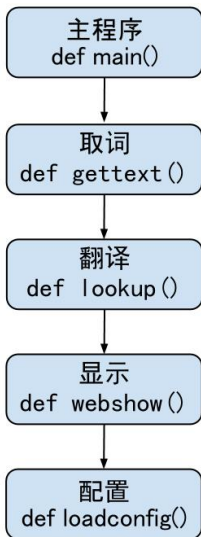

2012-05-28 A new life born: Openyoudao v0.1

Openyoudao v0.1

the structure of openyoudao

what I have learnt in this process?

- ▶ python
- ▶ git
- ▶ bash
- ▶ js/jquery
- ▶ sqlite
- ▶ pip
- ▶ file lock
- ▶ team coding

To do Next...

Give me your suggestion...

what is opensource?

5/17/14 www.nipic.com 8/17/2012 1:55:02
